From San Francisco (SFO)

The *Marin Airporter* (in rainbow colors) leaves from the Ground Transportation **locations** outside the Baggage Claim areas **every half hour** from 5:00 a.m. until midnight. These **locations** are identifiable by a large blue band on the supporting columns. The Airporter trip to San Rafael is approximately one hour and 15 minutes, and the current cost is \$18.00. The Airporter will take you to the downtown San Rafael Transportation Center after two or three earlier stops. You can ask the driver to order a taxi for you to bring you to Santa Sabina Center, 25 Magnolia Avenue, San Rafael, about a five minute drive away. If the cab driver is unsure of directions, have him call us at 457-7727.

The *Marin Airporter* leaves the downtown San Rafael Transportation Center at 15 minutes past the hour, **every hour** from 4:15 a.m. to 10 p.m. and also takes about 1 hour and 15 minutes, including a pickup of passengers at the Larkspur Landing major Airporter center. (Some prefer to take a 10 (max 15) minute cab ride to Larkspur Landing where the Airporter leaves **every half hour** from 4:30 to 11:00.)

From the Oakland Airport

The *Airport Express/Northbay Airporter* leaves the Oakland Airport (across the traffic lanes, and down a ramp to a lower level) **every two hours** (even hours) from 6:00 a.m. to midnight. The trip takes about 1 hour, with the downtown San Rafael Transportation Center the first stop. The cost is \$22; \$20 for seniors over 62 yrs. Again, you can take a taxi from San Rafael to Santa Sabina Center. (See directions above for SFO)
